Hey,

Sharing these per Laurel's request.

- Regulation and prohibition of public assemblies that lead to a breach of the peace and go beyond lawful protest.
- Designating and securing places where blockades are to be prohibited (this could include borders, approaches to borders, other critical infrastructure, Ottawa);
- Directing persons to render essential services to relieve impacts of blockades on Canada's economy;
- Authorizing or directing financial institutions to render essential services to relieve impact of blockades, including regulating and prohibiting the use of property to fund or support the blockades ;
- Measures enabling the RCMP to enforce municipal by laws and provincial offences where required; and
- The imposition of fines or imprisonment for contravention of any order or regulation made under section 19 of the *Emergencies Act*

Let me know if you need anything else.
